

## Case Study Application

*Share your story and help others Ignite! success in their classrooms!*

Complete the sections below and submit to [cow@ignitelearning.com](mailto:cow@ignitelearning.com) . Please note, the prompts below are meant to be a starting point for sharing your story. An Ignite! representative may contact you to gather more information or to ask questions about the details submitted.

Name \_\_\_\_\_

Title \_\_\_\_\_

District \_\_\_\_\_

School \_\_\_\_\_

Address \_\_\_\_\_

City, ST ZIP \_\_\_\_\_

Phone \_\_\_\_\_

Email \_\_\_\_\_

Signature \_\_\_\_\_

## Challenge

Please describe the educational environment and the problem. The environment may include things such as district and school demographics, average class size, student population, parent involvement, and other curriculum resources being used in the classroom (i.e., textbook). Once the environment is described, explain the educational challenges facing students and/or educators. This section should be around ½ page to a full page in length.

## Implementation

Describe how the Ignite! Learning curriculum was implemented. Was the COW used every day? How many minutes in a day or week was the COW used, on average? Did you use the print components? Were the enrichment activities used? What barriers did you have to overcome? This section should be around a full page in length.

## Results

Describe the results of the Ignite! Learning curriculum. How did the program help overcome the challenge? What was used to determine its success (i.e., increased test scores, student engagement, etc.). Please describe how the solution made an impact, and what benefits it offered to address the problem. What sort of return on the investment was seen? How will this improvement be sustained to guarantee future success? This section should be around ½ page to a full page in length.
