Ignite! Learning DVD Wins Award

Ignite! Squibs DVD -In the Environment: Organisms & Ecosystems has won approval by the Dove Foundation Review Board! This means the Foundation believes that the content expressed makes for the kind of DVD family members can enjoy together with confidence. Thanks to the Dove Foundation, parents can identify entertainment that is safe for family viewing. The Dove Foundation review board is made up of parents who have been trained to evaluate each film or video.

Now celebrating its 13th year as an advocate for family values in entertainment, The Dove Foundation is a non-profit organization that works to encourage and promote the creation, production, distribution and consumption of wholesome entertainment.

We are very proud of this recognition! To read more about our Squibs review please visit www.dove.org/reviews
